Subject: Norphlet Chemical Site Information

As promised attached is the link to the OSC website. This website discusses the details of the cleanup. Also attached is the response to the Notice Letter from Tulstar.

http://www.epaosc.net/region_list.asp?region=6

Click on Norphlet Chemical Inc., then click on **POLREPs** located towards the bottom of the page and then click on **All POLREPs for this site** if you want to see all ten.

Response to the General Notice Letter sent on May 4 2009 from Tulstar Refrigerants Inc.pdf
